Recognising and celebrating achievement of our values

Be a Learner

Oliver Misiti - For his effort and engagement when completing maths tasks. 😊

Charlotte Jeffery – For her connections when discussing text, explaining how the world changes over time. From a historical setting to present day. 😊

Seb Lewis - For A terrific Treasure Box presentation. 😊

Archie Shiner - For considering his answers to his maths problems and not rushing to complete them. 😊

Ragnar Ekberg - For his focus with his recount writing adding informative detail. 😊

Layla Manning - For her enthusiastic attitude to learning. 😊

Ross' Report

The staff are in the final stages of student report writing for semester one. It is a process which takes time but is valued by the teachers as they are able to reflect on everything taught this semester and we know parents appreciate the effort and detail that goes into reporting their child's progress. Early in term 3, there will be parent/teacher interviews where you will get the opportunity to discuss your child's progress with their teacher. This year, the reports will be made available to parents on Compass on the last day of term. You will be able to read the report on the screen or print your own copy if required. Please let us know if you want the school to provide you with a printed copy of your child's report.

The Junior School Council are busily preparing the traditional end of term activity day for everyone to enjoy. The theme will be "The Movies" so students can come out of uniform. They can dress as their favourite movie character or they can "glam up" and pretend they are walking on the red carpet in Hollywood. There will be a special lunch with hot dogs, choc top ice creams and juice boxes available. There is an order form included with today's newsletter.

Congratulations to the seven students who represented the school at Regional Cross Country last week. In my time at Avenel, this is the most students we have ever had competing at Regional level. I enjoyed spending the day watching our students put in an enormous effort and compete so well against a high level of competition. Well done to everyone who competed in Benalla - Maggie, Wren, Charlotte, Abby, Clancy, Alesha and Charlotte.

I enjoyed watching our music students firstly performing at the Avenel Hall on Sunday and then again at our annual school concert yesterday. Our students who learn piano and singing, along with the school Singing Group showed great confidence when performing in front of an audience. Music lessons are just part of the extra curricula activities that Avenel Primary offers its students.

Friday is our last day of term. We will be finishing at 2:20pm. There will be a short assembly at 2:00, which all families are invited to attend. I hope everyone enjoys the holiday break and I look forward to seeing everyone at the start of term 3.

Your feedback is always welcome at ross.davis@education.vic.gov.au or 0403 565 119.

Education

And that's a Wrap...

There have been lots of fabulous learning experiences across the school in Term 2 and now it is a chance to celebrate.

Our students have engaged in new learning experiences, teachers have made changes to practise and have implemented new and engaging teaching approaches.

We love the opportunity for students to reflect on the milestones they have achieved this term.

Here are some of the reflections to share with you.

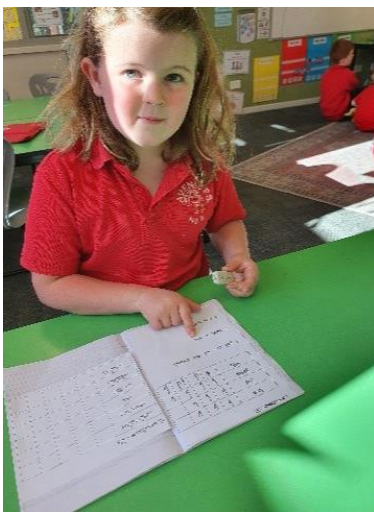

Ragnar – I have been learning to write recounts with the who, what, where, when information. I am still learning to add more information to my recount.

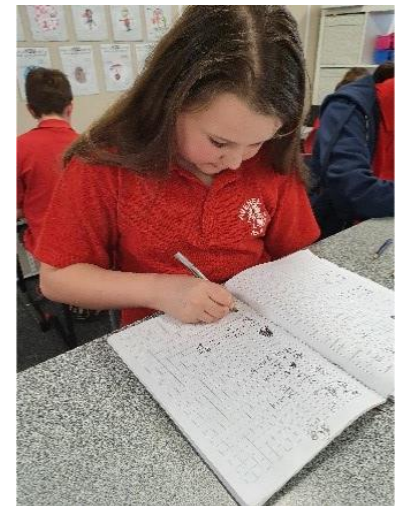

Imogen – Some of us have been finding it tricky to remember our multiplication facts. Mr Willis created a game to help us practise our recall of facts. I have been able to get much better at remembering the multiplication facts.

Isla – I have been learning to add fractions with different denominators. I really understand how to do this now and it's easy.

Alice – I have been learning to read by sounding out. I can read the words in my fluency book to practise.

Our students have taken great pride in sharing their achievements and it is a strength of our school how articulately and accurately our students can identify their learning goals and reflect on these achievements.

Student Reports

SCHOOL CAPTAINS

Every year four students from grade 6 are successful in obtaining the positions as school captains and vice captains. Students who wish to be elected, nominate themselves, prepare a speech which they deliver to the students and have an interview with members of the staff leadership team.

This year Immy, Charlotte, Wren and Bailey have been performing the School Captain and vice captain roles, and they have been strong leaders at our school. Their role is based around leadership jobs that are required, including making announcements at assembly, assisting with events such as school tours for prospective enrolments and representing the school at community events such as Anzac Day.

After 6 months in the role, the captains have reflected on their position so far.

Immy - I have enjoyed being given the opportunity this year to help out at special days and events as well as the challenge of doing different jobs that I haven't done before. I have learnt some important skills that you need to have which are having confidence and being organised. I want to help out where I can for the rest of the year.

Charlotte - I love being able to help anyone when they need it and I enjoy making the announcements at assembly. I have learnt that you have to have failure to be a success and practice makes powerful, not perfect. I am going to continue to be a leader, as I am passionate about it and I want younger students to look up to me.

Wren - It has been great to experience all the different opportunities this year, to act as a role model to younger students and to make the weekly announcements. I am getting better at becoming a leader and I am keen to take on more leadership roles in the second half of 2024.

Bailey - I have enjoyed giving back to the school and being able to be a leader. I have learnt that being a leader isn't about what you do on the day, it is about everything you do leading up to the day. For the rest of the year I want to keep fundraising with the JSC and put everyone's ideas into place.

MUSIC CONCERT

Our talented music and singing students and school singing group put on an amazing performance yesterday for their fellow students and staff. It is wonderful to see our students having the courage and confidence to get up and perform in front of others.

Well-done everyone! 😊

ULTIMATE FRISBEE

Thank you to the **VET Sport and Recreation students** from **Euroa Secondary College** for organising a fantastic inter-school ultimate frisbee session at the College last week. This session allowed students to showcase the skills they had learnt during training visits to our school over the past few weeks.

It was a wonderful opportunity for our students to socialise with students from other schools in the area which will assist in their transition to secondary school in future years.
